Verse 2:

Sweet, sweet, sweet love,
 I want you to be as happy as I
 When you love me.
 I'll never forget you, your sweet memory.
 It's all over now; don't worry 'bout me.
 (To Chorus 2:)

Chorus 2:

When one heart tells one heart, one heart good-bye,
 One heart is free, one heart will cry.
 Oh, oh, oh, oh, sweet, sweet baby, sweet baby sweet,
 It's alright. Don't worry 'bout me.
